They came to Bethsaida, and some people brought a blind man and begged Jesus to touch him. He took the blind man by the hand and led him outside the village. When he had spit on the man's eyes and put his hands on him, Jesus asked, "Do you see anything?" He looked up and said, "I see people; they look like trees walking around." Once more Jesus put his hands on the man's eyes. Then his eyes were opened, his sight was restored, and he saw everything clearly. Mark 8:22-25 NIV

We create an easy, obvious, and effective process where everyone can serve as a LifeChanger: People ministering is the Biblical Model. People need to be needed. Serving others meets the greatest need of the human heart.

Success is when people are moving on the spiritual journey that God has for them.

We move people from **lost to found** by providing a weekend service and small groups where they can **receive The Promise**.

We move people from **found to mentored** by providing a small group where they can **experience freedom**.

We move people from **mentored to equipped** by providing a Growth Track where they can **discover purpose**.

We move people from **equipped to engage** by providing a Life Changer Team where they can **change the world**.

Change the World

However, I consider my life worth nothing to me; my only aim is to finish the race and complete the task the Lord Jesus has given me—the task of testifying to the good news of God’s grace. Acts 20:24 NIV
